If the SMALL ENTITY is shown as YES, verify your current SMALL ENTITY status:

A. If the status is the same, pay the TOTAL FEE(S) DUE shown above.

ALLOWANCE

This allowance is in response to Applicant's amendment which was filed on 12/1/2009. Claims 26-31 have been cancelled. Claims 3-5 and 8 were previously cancelled. Claims 1, 2, 6, 7, and 9-25 were previously allowed. Accordingly, after Applicant's amendment, claims 1, 2, 6, 7, and 9-25 are allowed.

Allowable Subject Matter

The following is an examiner's statement of reasons for allowance: the independent claims as amended are distinguished over the prior art by delineating a method and a system for synchronizing a personal data assistant and a host device through the use of a synchronization instruction. The only novel feature of the claims relates to the limitation reciting that the synchronization instruction comprises at least one parameter including a control parameter identifying a different second application to perform a next instruction after executing said synchronization instruction.

Because of this feature, the claims show a patentable distinction over the prior art. Furthermore, the prior art gives no indication that it would have been obvious to one of ordinary skill in the art to have incorporated a synchronization instruction with the specific structure presented in the independent claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
